Kraanverhuur Boekestijn about their latest Liebherr LTM 1450-8

We recently had the opportunity to spray paint a brand new Liebherr LTM 1450-8 in their characteristic corporate colours for Kraanverhuur Boekestijn, a crane rental company. The result is impressive and the client is very satisfied. They are happy to share their experience about our collaboration: 'For years, our Liebherr cranes have been painted by Gouweleeuw. Gouweleeuw has the process under tight control. We experience the communication about our specific wishes as very pleasant. If necessary, adjustments to details are even made during the machining process. That is a typical example of the dedication of Micha and his team. They stand for quality!'

Sneak Peek: Liebherr LG 1550

We will soon start an impressive project: the conservation of a Liebherr LG 1550. We will take care of the entire basic machine and also treat more than 105 meters of boom parts and the ballast plates by blasting and spraying them. A great project to start the new season with!

Highlighted project: Terex Demag TC 2800-1

We have been a leader in our industry for more than 30 years. As a result, we have been able to paint many machines for clients from all over the world in recent years! Below you can see one of our recent projects:

Vernazza Autogru about Gouweleeuw:

'The result met our expectations perfectly, your team did an excellent job repainting the Terex Demag TC 2800-1 in our corporate colours. The attention to detail and quality of the finish were exactly what we were looking for. Communication throughout the project was smooth and professional. We truly appreciated the collaboration and are confident there will be opportunities to work together again in the future.'

Transport service

If desired, we can take care of the transport of the crane. We arrange both international transport and transport from the port for you. For example, for G. O'Brien Crane Hire Ltd. (Ireland) we arranged pick-up of their LTM 1230-5 from the port of Rotterdam and we put the crane back on the boat to Ireland upon delivery. Would you like to know more about our transport service? Please do not hesitate to contact us!
